The Committee is in receipt of the Commission's request for additional information dated 1/25/15.

The Committee regrets having failed to timely file its 24 hour report regarding "last minute" independent expenditures for a \$36,173.35 expenditure disseminated on 10/21/14 and reported on 10/28.

The failure to file was a result of an internal miscommunication. The Committee filed the 24 hour report the same day it discovered its error and immediately reviewed reporting rules with all committee personnel in order to strengthen internal communication and avoid any additional reporting errors.

Should you have any additional questions or concerns, please do not hesitate to contact me.

Sincerely,  
Chris Marston  
Treasurer
